

OUR PREMIUM LIST.

Given for Clubs and Single Subscribers.

AN UNEQUALED ARRAY OF OPPORTUNITIES.

HERE is a series of articles of the highest merit, which will give all our friends the opportunity of obtaining in the easiest possible way. Our object in offering these splendid premiums is to reward our club raisers.

We have been at great trouble and expense in making up this list of premiums. We have had two prime considerations in view as to the character of the articles: First, we have accepted nothing but the very best things; and, second, we have insisted upon arrangements direct with the manufacturers at the very lowest rates, so as to be able to give our subscribers the advantage of the lowest possible offers.

We have accepted no cheap-grade jewelry. There is no so-called aluminum gold, fire gilt, or any other, which is simply polished brass, but everything in the list is of a class we can warrant exactly as represented.

We have also demanded and secured from the manufacturers only the latest and most fashionable styles.

We expect that every subscriber will find something he or she will want, and will send us the club required and get it.

We mean, of course, in each case where we say clubs or subscribers, subscribers to THE NATIONAL TRIBUNE for one year, and the full price of the paper, viz., \$1 a year for each subscriber, must accompany the name sent.

Much trouble is saved by never omitting the County, because there are so many post-offices of the same name. If the County is omitted, it is sometimes difficult to tell whether Nevada or Nebraska, Mississippi or Minnesota is meant, for example.

In ordering, be particular to give the number of the article as well as the name.

The best way to send money is by Postoffice Money Order, in which case it may be sent at our risk.

If your local Postoffice is not a money-order office, the best way is to register your letter. Money may also be safely sent by Express Money Order or Bank Drafts. Do not send local bank checks. Remember also that postal notes are no safer than money or stamps enclosed in an envelope, being cashed by anyone into whose hands they may fall. Postage stamps are a drug, and while taken, are very inconvenient, because we have more than we can use, and the Government does not redeem them.

The articles mentioned on this page are only a portion of our premiums. If you desire a complete list—and it will be to your advantage to have it—send us a postal card asking for it, and it will be sent you free of charge.

In all cases, address

THE NATIONAL TRIBUNE, Washington, D. C.

A SOUVENIR SPOON.

A Free Gift to any Subscriber who will raise A CLUB OF 2.

This splendid Souvenir Spoon is made specially for us by the Onida Community at Onida, Idaho. It is a beautiful piece of silver, and we want our subscribers to be up with the times. These spoons are not for sale, and cannot be sold to anyone. THE NATIONAL TRIBUNE GIVES THEM AWAY. They will be sent to any subscriber in the UNITED STATES, all charges prepaid, as a free gift upon only two conditions: These conditions are, first, that you send in two new subscribers for one year at \$1 each; and, second, that you ask for the spoon at the time of sending in the names. These spoons are of the best pure silver plate, upon a base of the well-known American Sterling, or nickel silver compound. Of course they look just like solid silver, and for many years, even if put to daily use, are just the same as solid silver. In fact, even the richest of our people have long since quit the everyday use of the old-fashioned solid silver ware. Remember, to subscribers only, a free gift, charges prepaid, as premium for a club of only two.

MISSISSIPPI LACE PINS.

No. 252 is a very pretty scroll design, with gold front. It is a setting at each end of pearls and diamonds. We will send this pin to anyone sending us a club of six subscribers at \$1 each. A CHILD'S SILVER TABLE SET.

This is something fresh from the factory, manufactured specially for this Fall's trade. The cut is very much reduced in size, and does not do the article justice. It is not a toy set, but for a child's use at the table. It is for the proprietor of a child from the time it is able to sit at the table until it is about 12 years old. There is a knife, fork, spoon, cup, and saucer. These articles are as good for practical purposes as though made of pure silver. They will never wear, and will retain their beautiful white color of silver, all the metal in them being of the same kind. The articles are neatly packed in a beautiful suit-case, which is sent by express free of charge for the box alone by the leading silverware firm of New York City.

We send it prepaid for one year, \$2.30. This will be sent free to any address, postage, for a club of six yearly subscribers. Here is a chance for our young folks to secure a Christmas present for the little brother or sister absolutely free of cost.

WATCHES ALMOST FREE.

To National Tribune Subscribers Only.

THE NATIONAL TRIBUNE has made a contract for an immense number of Watches, and proposes to sell them for a short time to subscribers only at prices that will seem incredible to those people who have a knowledge of Watches. The most wonderful part of this offer is that, although we are getting hundreds of different makes, we confine this proposition to those made at Waltham and Elgin, which, as our readers well know, are absolutely without rivals. They are unquestionably the best Watches in the world. While we hope and expect to be able to continue this offer indefinitely, yet it is possible

that since our profits are so small we may feel obliged to discontinue it without notice, and we therefore advise our subscribers to order at once. Remember that we guarantee each and every Watch to be the latest and best product of the Waltham or Elgin factories, whichever you may select. Our previous offers still hold good, but it is for your advantage to order from this offer such Watches as it contains. We want it distinctly understood that as this offer is primarily for the benefit of veterans we want them to make as much as possible by selling to their friends, and as soon as it appears that they have been supplied we expect to withdraw the offer without notice.

We guarantee satisfaction in every case. Always state whether you wish a Waltham or an Elgin, and give the number of our offer.

HIGHEST GRADE Solid Gold Watches AT LOW PRICES.

"Appleton, Tracy & Co." and "P. S. Bartlett" at the Price of Ordinary Gold-filled Watches.

50 DWT. SOLID GOLD ENGRAVED CASE.

Offer No. 100. Many of our subscribers have inquired for Waltham watches of the highest grade in heavy solid gold engraved cases. We now offer to furnish the magnificent Waltham nickel movement known as "Appleton, Tracy & Co." in a full engraved solid 14k gold case, hunting or open face, weighing 50 dwt., to any subscriber.

In the works of this wonderful watch are 15 extra-fine red ruby jewels in solid gold settings. It is adjusted to temperature, isochronism and position, and it has a patent regulator and Logan's celebrated Breguet hairspring.

This watch, when tested at the Paris Exposition, received the Gold Medal. It is a stem-winder and setter, and suited to the use of all who require the most accurate time. Regular price from \$100 to \$150. Sent to any NATIONAL TRIBUNE subscriber, delivery guaranteed, \$60.

Offer No. 101. The celebrated "P. S. Bartlett" Waltham full nickel, same as "Appleton, Tracy & Co." excepting special adjustment, in 50 dwt. solid 14k gold full engraved case (hunting or open face) sent to any subscriber for \$50.

When we say that a movement is "full nickel" we mean that the framework that holds the wheels is nickel, and not that the watch is in a nickel case. The majority of gold watches have brass movements. The watches we have under this head have nickel movements, unless otherwise ordered. If you would just as soon have a brass (or gilded) movement please mention the fact when ordering. With gilded movement the Appleton, Tracy & Co. costs only \$58, and the P. S. Bartlett only \$49. In either event the case is the same, and the difference in price is caused by the different material used in the movement.

SI00 WATCH ONLY \$38.

No. 98. Most of our subscribers have seen gold-filled Watches which their friends have bought from watch-club agents or retail jewelers for \$38. THE NATIONAL TRIBUNE sells just such a watch for \$15.50. Under the above number we offer a Waltham or Elgin full jeweled Watch, containing compensation balance, safety pinion, stem winding and setting apparatus, 15 fine jewels, in solid gold settings, Breguet hairspring, hardened and tempered in form, and all improvements; in a Solid Gold 14k U. S. Assay Case, weighing 2 oz. (40 dwt.). This case is strong enough to protect this magnificent movement, and it is beautifully finished. This Watch is too expensive for watch clubs or country jewelers to sell. It can only be bought in the large centers where retailers have grown wealthy by selling just such Watches at from \$100 to \$300. We guarantee every watch to give perfect satisfaction, and our subscribers know that our guarantee proves the value of the Watch. Regular price \$100. Our price, to subscribers only, by registered mail, safe delivery guaranteed, only \$38.

Waltham or Elgin, \$5.50. Offer No. 91. A men's size Waltham or Elgin Watch, containing seven jewels, compensation balance and safety pinion, stem winding and setting apparatus, 15 fine jewels, in solid gold settings, Breguet hairspring, hardened and tempered in form, and all improvements. The case is solid nickel-silver, open face, and the crystal is made of plate glass so heavy as to withstand any strain. The usual price of this Watch is \$8.50 to \$12.50. We send it to subscribers by registered mail for \$5.50.

ELGIN'S PRIDE.

Offer No. 102. THE NATIONAL TRIBUNE fittingly celebrates Christmas, 1891, by offering to its subscribers the most beautiful watch to be found in the market. Many were offered, and although time and capital have been lavished upon all, yet the watch represented in our engraving is far the handsomest, and therefore we selected it. The case is made of solid gold, reinforced or stiffened with the finest filling metal yet discovered. In this way a case is obtained

which is superior to a solid gold case. This case is guaranteed to wear 15 years, and with any decent usage will wear just like solid gold for from 25 to 30 years. It is full engraved with an intricate design of classic delicacy. It is elaborated over back, front and center, giving this timekeeper a gorgeous and unique appearance, which no adequate impression can be conveyed by a mere description and newspaper cut, which, of course, fails to show the rich arrangement of color as well as form which conduces to the artistic effect obtained. The movement (commonly called watch) is magnificently jeweled according to the most scientific principles, and the patent pinion and compensation balance are made of highly tempered steel. The dial or face is enameled and set with gold, and the hands are made of solid rolled gold plate, spun and wrought to the finest and delicate of antique lace. Since it is the latest and most satisfactory product of the great Elgin factory, it has been fittingly named "Elgin's Pride." The loyal subscribers to THE NATIONAL TRIBUNE deserve the handsomest watch in the world, and we are convinced that they shall have it. This will undoubtedly prove a fortunate speculation for many of our subscribers, because such a watch readily yields a handsome profit over what we sell it for in cash or exchange. We guarantee that it contains the chief features of the most expensive watches. Don't write and ask if it is a genuine Elgin. We guarantee it, and that's enough. Your jeweler when he first gets hold of this watch six months hence will charge you from \$30 to \$50 for it. We give you the benefit of our great discounts, and charge you, including free delivery, only \$15.50.

It will be noticed that around the figure in the picture of the dial there are dark lines. These are tracings of pure gold which appear upon the highly-polished face of the white porcelain dial.

Gold Watch, \$12.00.

Offer No. 92. A men's size Waltham or Elgin gold-filled, open face Watch, stem wind and set, seven jewels, and all improvements; an accurate time-piece, that looks just like a \$100 solid gold Watch. The case is guaranteed to wear 15 years. Watch clubs and retail jewelers have been selling this Watch for \$38. Our price by registered mail is only \$12.00.

New Waltham Movement.

Offer No. 297. A \$200 solid gold Watch cannot be bought for \$20. But THE NATIONAL TRIBUNE offers a Watch under the above number that has all the appearance and most of the good qualities of a \$200 Watch. You have never seen a Watch like this, and your jeweler has not either, although the works are familiar to any jeweler, so that in case of accident there would be no trouble in getting it repaired. You must therefore depend upon us for the description of the latest, handsomest, and best Watch made by the great American Waltham Watch Factory. Time and money have been literally squandered in bringing this particular Watch to perfection. The movement (or works) is made according to the celebrated Waltham Riverside model, in which the two nickel winding wheels are plainly seen. The case is the thinnest filled watch-case ever made. Remember, we mean that the Watch when closed in the pocket is thin. The life of the case are the usual thickness, and form a perfect protection for the movement. It will not take up much room in the pocket. This case is made of a plate of fine composition metal over which two heavy sheets of 14k gold are drawn, making a case that is for all purposes as good as solid gold, and warranted for 20 years. A written guarantee accompanies each Watch. Every part which is subjected to constant wear, such as the ring, thumb-piece, joint works, hinges, etc., is of solid gold. The jewels are especially recommended where

the most accurate time is required. This is just the watch for doctors, lawyers, clergymen, Post Commanders, and all others who with a really first-class article. As a present to the Commander of your Post, it cannot be excelled. It is so thin and convenient in form that it will even make a good and satisfactory ladies' watch, and it is especially recommended for school-teachers and other professional women on account of its accuracy, which is equalled by no watch made especially for ladies.

After Jan. 1 we are unable to say what the price will be, and we reserve the right to withdraw this offer at any time. We will send this watch by registered mail to any of our subscribers for \$20.

The watches above are all gentlemen's size only.
